

Dear friends,

We are very happy to send you our invitation for the next Writers and Leaders Gathering which will be organized in March, 2017 in the neighborhood of Krakow (Poland).

Writers gathering

The writers gathering offers you the possibility to share your ideas and inspiration for writing and to get support in putting these ideas and inspiration into writing.

This gathering is open for anyone, who is (or wants to get) involved in writing Gestalt literature.

The Writers Gathering will take place from Monday afternoon, March, 27th – Wednesday, March, 29th (finishing around lunch time)

Sean Gaffney will take the responsibility for organizing and leading this Gathering, possibly together with Joe Melnick and Daan van Baalen.

Leaders gathering

The leaders gathering offers leaders and senior trainers of Gestalt institutes the possibility to share ideas, experiences and questions regarding leading the institute or training Gestalt students.

The leaders gathering has a long lasting tradition and history, and has served many leaders of Gestalt institutes all over the world in developing their institute and the quality of their training programs.

The content of the gathering is mainly open, which means that it consists of discussion groups around topics, which are requested or suggested by the participants. If you have already a request for a topic or an idea of presenting, how you teach a specific theoretical topic, please let us know by mentioning it on the registration form.

The Leaders Gathering will take place from Wednesday afternoon, March, 29th – Sunday, April, 2nd (finishing around lunch time).

The leaders will be organized and led by a team of Renata Procak, Aleksandra Sekowska, Judit Malantinszky and Frans Meulmeester.

Because of the limited space (maximum 40 people), we can only allow two leaders / senior trainers per institute.
